

ClientManager::getInstance

```
graph LR; A[ClientManager::getInstance] --> B[ClientManager::ClientManager]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is gray and contains the text 'ClientManager::getInstance'. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'ClientManager::ClientManager'. A curved blue arrow starts from the top right of the right box and points back to the top left of the right box, forming a self-loop.

ClientManager::ClientManager
